Postmodernism and Feminism

Meaning is fluid and arbitrary. Like many other feminist theorists, Cixous believes that human sexuality is directly tied to how people communicate in society.

Nexus between Feminism and Postmodernism: Still a Central Concern for Critical Social Work

Why have so many feminist artists and theorists resisted the lure of postmodernism? In an early work The Canadian Postmodern you suggest a shared pattern of irony and parody in texts by women writers generally and Canadian fiction. This strategy also allowed me to bring in the work of women writers and artists who had NOT been seen as postmodern for some of the reasons outlined above , but who clearly had used techniques similar to those used by male postmodern writers -- but with an added political, contestatory edge. It is not uncommon to encounter in your writing examples from Shakespeare, Laurie Anderson and Wayne's World interspersed to illustrate the same theoretical point.

Postmodernism and Feminism

Butler criticises the distinction drawn by previous feminisms between biological sex and socially constructed gender.

Post

Faced with a strong colonial heritage that conditions its response to Britain and France, but in a different way and confronted with an even stronger cultural power to the south of us in the USA, Canadians have often turned to irony to position themselves self-deprecatingly or to contest the strength of those dominant cultural forces of history or of the current situation. Morris Milton Keynes: Open University Press, 1990 , 124—140. See: Source: Borrowed heavily from Jane Flax , via Lester Faigley's Fragments Of Rationality.
