Medical Subject Headings — Wikipedia Republished // WIKI 2

For instance, if you want to search cancer of the jaw, finding the MeSH term will help you narrow down your results.

Understanding and using the medical subject headings (MeSH) vocabulary to perform literature searches

For example, suppose you want to find the most influential publications in AI. Furthermore, by default all the descriptors below the given one in the hierarchy are included in the search. Descriptors The descriptors are arranged in a hierarchy.

Using Medical Subject Headings (MeSH)

References for specific statements in the descriptions are not given; instead, readers are referred to the bibliography.

Medical Subject Headings

You can save it or take a screenshot for further reference.

Medical Subject Headings

An Interlingual Database of MeSH Translations. MeSH can be browsed and downloaded free of charge on the Internet. See the MeSH description for diabetes type 2 as an example.
