## Recollections of the early history of northern Wisconsin.

In 1853, he was elected to the Professorship of Latin and French, at Williams College. Some extraneous ceremonies, but no means creditable to their inventor, were at an early period introduced into America.

## Sermon

He became a leading man in the new province, was a member from Bucks in the first Assembly and was also in Council, dying in 1693. He sees rather the worst of men, and would grow cynical and misanthropic, if he was not constantly surrounded with the illustrations and manifestations of man's better qualities in the persons of his professional friends.

## Life on the Circuit with Lincoln

With eminent propriety its place is in a Conference; and the Conference, as all are aware, gives large space to the discussion of topics of great practical importance, in which ministers and laymen both take part. No war, no crime, everyone just getting along, cooperating in everything we do.
