Avoid illustrating what is already visible.

Developing quality technical information : a handbook for writers and editors : Hargis, Gretchen : Free Download, Borrow, and Streaming : Internet Archive

She is a co-author of the book Designing Effective Wizards. It then discusses how to apply the quality characteristics that have been covered in the preceding chapters and how to ensure that those characteristics have been met. As the book points out, information doesn't do the reader any good if there isn't a logical way to find it.

Developing Quality Technical Information: A Handbook for Writers and Editors: Carey, Michelle, Lanyi, Moira, Longo, Deirdre, Radzinski, Eric, Rouiller, Shannon, Wilde, Elizabeth: 9780133118971: Books

Use color and shading discreetly and appropriately.
