Reason, Rationality, and Fiduciary Duty

Target Holdings v Redferns ; Target Holdings v Redferns ; at 432. Notwithstanding the assistance of an expert, the ESOP trustee should review the valuation report, ask questions about the report, review the approaches of the valuator look over the type and variety of methodologies applied by the valuator and be aware of other information that may affect the valuation such as the solvency of the company and the repurchase liability and funding needs of the ESOP. One may certainly do this.

Contract, Trust, and Corporation: From Contrast to Convergence

This problem, however, like Hu's other paradoxes, may be unraveled with the help of hypothetical bargain theory using rational investors. Persons Granted Relator Status 5.

Department Of Labor, Fiduciary Duty And The Future Of Environmental, Social & Corporate Governance

MGM Grand Hotels, 509 A. FIDUCIARY ISSUES IN FAMILY FINANCIAL TRANSACTIONS 6. One could also suppose that the enforcement costs necessary to bring about perfect compliance of managerial behavior with the shareholder value maximization norm would be, so great that they would not be justified by the marginal benefits to shareholders.

Ryan, Philippa

Individual Director and Officer and Company Reimbursement Coverage 10. As a practical matter, of course the ESOP trustee does not need to worry about outside investors. The emergence of financial derivative markets means practically unlimited opportunities exist for firms to bet, where they are so inclined, on possible but low probability future states of the world.

A Social Contract Account for CSR as an Extended Model of Corporate Governance (I): Rational Bargaining and Justification

These rules are not part of a literal contract, but a contract is still a good model of the voluntary, self-interested arrangement that constitutes a joint business venture among many different parties. Rational investors, not shareholders, have the best incentives. Eligible trust preferred securities are issued by bank or financial holding companies, whose subsidiaries' deposits are FDIC insured.

Reason, Rationality, and Fiduciary Duty, Journal of Business Ethics

However, reference will be made to these statutory duties as an indication of the complexity facing courts when asked to determine the liability of a solicitor for breach of trust or breach of fiduciary duty. Contracts with Shareholders and Creditors and Duties to Bondholders Proponents of shareholder wealth maximization disagree with writers who argue that corporate directors should owe a fiduciary duty to the bondholders of the corporation as well as to shareholders.

A Social Contract Account for CSR as an Extended Model of Corporate Governance (I): Rational Bargaining and Justification

Lau, *supra* note 3, at 20—35. Exclusions From Company Reimbursement Coverage 10.

Corporate Malfeasance

Unless express terms of the corporate contract provide otherwise, managers may take steps to maximize firm value regardless of the horizontal or distributional effects on particular assets classes.
