### The Herald and Genealogist (8 Volumes) by John Gough (1806)

Internments after 2000 are generally not included. Griffin Source: Duluth News-Tribune Duluth, MN Wednesday, July 26, 1905; transcribed by Mary Kay Krogman Personals.

### Genealogist to share tips on researching Jewish ancestors from Poland

Bryant explained part of her motivation behind the project, besides her curiosity about learning more information about her family. When schools first introduced computers and their accompanying networks, students shared computers. He also requested that they be freed and allowed to travel to and live in free states.

### Naming Sources

For me, the power of this search feature will be in its ability to sort thru lots of items to quickly locate the one I want. Winton and her father, S. Balmer, principal of the United States government school at Mount Pleasant, Mich.

### Herald

The actual text of the obituaries is not available online, but if you contact the Indiana Room we can provide either a paper copy or a scan of the obituary you want. For Christine Clement, the 247 people who died in the 1931 Hawke's Bay earthquake are more than just names on a plaque.
