## Professor Michael Sutton

Une telle affirmation ne jaillit pas d'ailleurs, mais surgit, bien entendu, du conflit entre l'insuffisance de l'ordre naturel et l'épreuve d'un besoin ultérieur, entre la volonté contredite et vaincue d'une part, et, la volonté affirmée et maintenue d'autre part. So, from the moment where it appears under the form of appetite or of instinctual need, there is a spontaneity victorious over mechanist determinism, an automatism already completely psychological.

## Maurice Blondel (Author of The Letter on Apologetics & History and Dogma)

The American physicist has further developed Teilhard's concept in two controversial books, and the more theologically based Physics of Christianity.

## Maurice Blondel (Author of The Letter on Apologetics & History and Dogma)

Blondel asks why the will has to incarnate itself in materiality.

## John J. McNeill and Charles Chiarelli Gay and Lesbian Liberation Collection

This type of analysis does not nullify the reality of the phenomena treated as immanent, but rather exhibits their necessary co-structuring relationship with the orders of phenomena transcendent to them.

## Memoire Online

First, there must be equitable relations of production between the classes and groups comprising the society. Nouvelles lettres de voyage 1939-1955, de Pierre Teilhard de Chardin in French.

## French Neoplatonism In The 20th Century

In the last third of the twentieth century, the dead Neothomism and Neoscholasticism of the nineteenth century revival, appears, instead of

Neoplatonism, as having been thoroughly infected with modern objectifying rationalism. Sarah Appleton-Webber, Sussex Academic Press, Brighton and Portland, Oregon, 1999 p. Transactions of the New York Academy of Sciences published March 1952.
