Command Economy: Advantages & Disadvantages

Organised by discipline, it covers the arts, humanities, social sciences, life sciences and technology. A Guide to the Economies in Transition carries on where Ian Jeffries' previous book left off. This failure is likely to have serious consequences for the economic and social well being of women who seem to have borne greater costs of the restructuring.

Command Economy: Advantages & Disadvantages

Transformation at Work explores the key issues of post-communist transformation in Eastern Europe. The lessons emphasize the complex texture of events and the regional distinctions found among the transition economies.

Command Economy: Advantages & Disadvantages

The government also began to allow them to participate in social governance, and it delegated some state powers to designated social organizations.

Restructuring the Relations between the State, Market and Society in China

The research in Strategic Management in Central and Eastern Europe provides an understanding of a specific historical phenomenon--the experiment of moving from centralized command economies to democratic capitalist economies in Central Europe.
