## Bibliography

See the article on Marius Barbeau, pp. He worked well with the powerful Anglo businessmen who controlled most of the economy. Catholic unions had already unionized some of these workers but the main inroad came from international unions affiliated with the Congress of Industrial Organizations CIO.

## History of Quebec City

In 1831, more than 50,000 people immigrated to Quebec. The Mohawks had filed a land claim for the sacred grove and burial ground near , but their claim had been rejected in 1986.

## In the beginning...

Other signs of frustration with the appeared with the bitter of 1949. They adapted to their surroundings and experienced a degree of population growth.

## History of Quebec

Fur commerce made a permanent residence in the country worthwhile.

## Biography

They sewed and patched clothing, traded with their neighbors for outgrown items, and kept the house colder. On February 3, 1971, , the , reported that 497 persons had been arrested throughout Canada under the War Measures Act, of whom 435 had been released. Many of the discontented gravitated toward the ultramontane nationalists especially , editor of *Le Devoir*, and the highly traditional Catholic writer , editor of *L'action canadienne-française*.
