ANS, The Coinage Of The Lycian League

This inscription, supplemented by a few others in TAM, provides the inscriptional data shown in column 8 for all the cities except Trebendae and Candyba.

Lycian Turkey

The striking of the civic bronzes seems to have commenced only after these two eastern cities had left the League to join forces with the pirates who by the end of the second century controlled the coasts of Cilicia and Pamphylia. The correct name of the mountain is Masicytus *Μασίκυτος* ; so is that of the monetary district.

Lycia, Silver Drachm of the Lycian League (2nd

After the assassination of Julius Caesar, Brutus invaded Lycia. After the desperate but unsuccessful resistance of the Xanthians to Harpagus, 14 Lycia passed into the Persian Empire, but presumably on favorable terms, for the Lycian princes coined in their own names, and Lycia did not join her western neighbors in the Ionian Revolt.

BMC 6 var this reverse listed for Domitian. Boehringer has proposed a further indication that the plinthophoroi started before 182 b.

Elif Özer

It is my first from Cragus Roman district, mint: Patara or Kragos as seen with the K - P on reverse. When the districts' coinage did appear,

however, it is significant that it corresponded exactly to a Roman denomination.
