Is This Patient Suicidal? Tips for Effective Assessment

I really believed in that moment that it would be the last time I saw him. Before my attempt, I wanted nothing more than to get better and be strong enough to stay.

Is This Patient Suicidal? Tips for Effective Assessment

Sometimes we will find ourselves in situations similar to the one in which David found himself—in a valley, alone, facing a giant. We do not know what causes a person to resort to taking his own life. But there are many reasons why people commit this act, and some of those reasons have little or nothing to do with mental illness.

Is This Patient Suicidal? Tips for Effective Assessment

The odds are good that the love between you was, too — mutual, cherished, understood.

Why Suicide Has Become an Epidemic

Jesus, like the terrorists, did give his life in a religious cause—but that is where the similarities end.

Mark 8:36 Commentaries: what does it profit a man to gain the whole world, and forfeit his soul?

His girlfriend fretted about his tainted DNA.
