visual grammar (visible grammar): Identification of Sharaku and Hokusai on deep structural level

Extending each arc, I made circles. Sharaku's Japanese Theatre Prints: An Illustrated Guide to his Complete Work. Most ukiyo-e artists gained apprenticeship experience and connections by working for an artistic school, such as the Torii or.

Japanese Wood Block Print 32sheets / HOKUSAI, SHARAKU, HIROSHIGE, UTAMARO etc

The popularity the prints have attained feeds interest in the mystery, which in turns contributes further to interest the prints. In 1995 directed a fictionalized film of Sharaku's career,.

Japanese Wood Block Print 32sheets / HOKUSAI, SHARAKU, HIROSHIGE, UTAMARO etc

His mastery of the medium with no apparent apprenticeship has drawn much speculation, and researchers have long tried to discover his true identity—amongst the dozens of proposals, some suggest he was an obscure poet, others a actor, or even the ukiyo-e master. The prints bear no dates.

Sharaku

No further information is known of either the disciple or her husband.

Sharaku

Tōshūsai Sharaku's works appeared in the middle of the era 1789—1801 , when the nation faced hard economic times that the responded to with reactionary policies such as the intended to strengthen the feudalistic. Another red unit makes right cuff.

Sharaku

On this line smaller red unit is placed. The model reveals why the painting looks as solid as netsuke sculpture.

Japanese Wood Block Print 32 sheets / HOKUSAI, SHARAKU, HIROSHIGE, UTAMARO etc

There are printing variants of these early prints, suggesting they went through multiple printings and thus sold relatively well. Sharaku focuses on transitional poses as before, but the busier designs weaken the effect by drawing attention away from the actors' expressions to other elements of the composition.

visual grammar (visible grammar): Identification of Sharaku and Hokusai on deep structural level

The third unit makes the right sleeve. I will pack it nicely with bubble wrap and will be mailed inside a strong cardboard box.
