## POLITICAL VIOLENCE AND SOCIO

In the current situation, Nigeria has fewer buffers and policy instruments to cushion adverse effects. This kind of mindset clearly shows that politics have been greatly misunderstood by the political class, the large section of the public and party followers.

## Nigerian Socio

Time has come for government to take the civil service seriously — make it workable in their roles, regarding the enactment, implementation, funding, quality control, step-by-step supervision, application of sanctions to violations of rules and regulations.

## Nigeria Overview

From reviewed of literature, it was found out that SMEDAN has not carried out its roles to a large extent to help alleviate the challenges faced by small and medium enterprises in Nigerians. Small scale enterprises have been observed over the years to have immense potentials for socio-economic development of a nation. Based on human history, political violence has been present in the past events for all ages.

## VANDALISTION AS A FACTORS OF SOCIO

Socio-economic development is the relationship between economic activity and social life. Journal: THE NIGERIAN ARMY QUARTERLY JOURNAL Volume: 3 Issue No. There must be a conscious effort to reach the voters physically to demonstrate and educate them on the need to carry out their franchise within the ambit of the law.

## Economic Development in Nigeria: An Overview

Others move their businesses elsewhere, which are a serious blow on the economy of the affected state, city, community thereby causing congestion in places of destination.

## **Environmental Issues And Socio**

In Nigeria, the Bank Group is stepping up its support to address service delivery gaps, livelihood deficits, and social cohesion issues, as well as providing support to economic diversification. This includes agricultural productivity and increased access to finance. There is therefore need to create easy access to information about government activities through easy outlets to reach every segment of the society — not paid or hijacking of media units by government functionaries without concrete ends.

## **POLITICAL VIOLENCE AND SOCIO**

The Bank Group also supports increased engagement in the climate resilient agenda as well as to the COVID-19 pandemic and its post-recovery efforts. Last Updated: Nov 03, 2020 The WBG is an active partner in donor coordination.

## **Nigeria Overview**

It is recommended that there should be more awareness about the existence of the agency and its roles, there should be checks and balances to curb corruption etc. These will help the agency to carry out its roles efficiently and effectively so that the small and medium enterprises will have greater impact on the socio-economic development of Nigeria.
