## Surat Al Qiyamah Arab, Latin & Terjemah Bahasa Indonesia

These people do not understand the difference between the whole and the part. Whatever my mentor, Imam Farahi, has written while explaining these verses is based on sound research. The preservation of the Qur'an has been promised by the Almighty both in a concise and comprehensive manner.

### TERJEMAH DAN SYARAH KITAB AL

They are actually the fulfilment of the promise mentioned in **ثُمَّ إِنَّ عَلَيْنَا بَيَانَهُ**. A suppression of the word **بِالْحُسْنَى** has occurred after **صَدَقَ** because of strong linguistic indications.

### TERJEMAH DAN SYARAH KITAB AL

Hence it was not necessary to mention the antecedent of the pronoun. After that, the discourse had shifted to man's arrogance, his deliberate concealment of the truth and to the portrayal of the horrific events of the Day of Judgement. **لَا يَأْتِيهِ الْبَاطِلُ مِنْ بَيْنِ يَدَيْهِ وَلَا مِنْ خَلْفِهِ تَنْزِيلٌ مِنْ حَكِيمٍ حَمِيدٍ**.

### TERJEMAH DAN SYARAH KITAB AL

Farahi further states: All these conclusions are evident from the Qur'an and also corroborated by Hadith literature. The words **إِلَى رَبِّهَا نَاظِرَةٌ** mean that these people will await the blessings and favours of their Lord. **ثُمَّ أُولَى لَكَ فَأُولَى**, the word **أُولَى** is from **وَلَّى** which is used for expressing anger, reproach, and hatred.

However, on the basis of such weak Ahadith, a proven and certain reality cannot be rejected. . The Prophet's responsibility was to only follow the recital of what has been read out to him of the Qur'an.

### TERJEMAH DAN SYARAH KITAB AL

I will now present excerpts from the exegesis of my mentor Imam Hamid al-Din Farahi which he has written while explaining these verses.

### **Surah al**

Portrayed in these verses is actually the situation that will arise before people enter Paradise or Hell. This is a reference to the tabyin verses which were revealed to explain and elucidate a previously revealed directive or to abrogate or to complete it.

### **Surat Al Qiyamah Arab, Latin & Terjemah Bahasa Indonesia**

Also, he was to pay no heed to the demand of people who are asking for its revelation in one go. A further arrangement that was made by the Almighty was that in each Ramadan, the Prophet sws read out the Qur'an revealed till that time to Gabriel in order to safeguard any loss from memory. They will await the blessings and mercy of God.
