Modern Japanese Theatre and Performance

For instance, the Japanese version of *The 500 hats of Bartholemew Cubbins*, translated by Ōmori Takeo in 1949, was published during the postwar SCAP Occupation, an era in which Dr. I also apply the theories in sociology and cultural anthropology, such as globalization and transnationalism, to keep the balance between practical methodologies and theoretical approaches. Moreover, we would be dismayed if undue worry about cultural transgression began to squelch such experimentation.

Program: College of Science Core: General Education

Education with a minor in English Ed. Corequisites: There are no corequisites for this course.

I seek to build artistic relationships irrespective of traditional hierarchical structures between creator and performer, and to process and create material through shared and unknown artistic means, which are ultimately greater than the sum of the affiliated competence of the collaborators. How to reverse the rising socioeconomic inequality across and within nations? An early apparent manifestation of this we saw in the 1970s, especially in Glam Rock, with David Bowie as a key figure, and within prog rock, with bands like Genesis and Pink Floyd Hall 2014.
