NATRUM MURIATICUM (CURES WITH COMMON TABLE SALT) AS A TEST OF THE DOCTRINE OF DRUG DYNAMIZATION

Perhaps three-fourths of the cases of toothache are not due either to caries, necrosis, or abscess, primarily, but to the general state of the constitution; more particularly is toothache, in my opinion, very frequently due to the stomach, and I have sometimes wondered whether decaying teeth are at times anything more than constitutional issues, for I have several times noticed that profoundly dyscratic complaints have taken on increased morbid action soon after the dentist had extracted a bad tooth. White Cooper had done the same.

Doctrine of Signatures

The neuralgia constantly re-appeared, and finally China ceased to have any effect.

Blood Test

The practitioners of homoeopathy may alter ; their policy if they had any might alter ; they may be greater or fewer in number ; they may be honest or dishonest, learned or unlearned, clever or dull, many or few, and even disappear altogether de facto or politically, and STILL homoeopathy in its essential principle remains purely and simply as a law of Nature. They disapprove especially that dialectic debate which gives free play and efficacious prominence to the negative arm. Neuralgia right eye, coming and going off with the sun.
