### Koncepcja etnolingwistyki według Jamesa Underhilla

This chapter presents the Polish concepts of los and dola, destiny and existence, belonging to the category of cultural key-words. A companion to the works of Johann Gottfried Herder.

## From Conceptual Metaphor Theory To Cognitive Ethnolinguistics Patterns Of Imagery In Language Studies In Language Culture And Society PDF Book

This approach extended its scope to study not only components of abstract systems of thought but also to examine how mental processes relate to symbols and ideas. It is based on the assumption that language codes a certain socially established knowledge of the world and that this knowledge can be reconstructed and verbalised as a set of judgements about people, objects and events.

### Aspects of Cognitive Ethnolinguistics

This fine work is an excellent start to re-establishing Herder's importance in 18th-century thought, not just in Germany, but throughout Europe. Petar Sotirov, Dejan Ajdaczić, Lublin 2017.
