Charles Stuart (abolitionist)

This work was reproduced from the original artifact, and remains as true to the original work as possible.

Charles Stuart (1783 – 1865), British abolitionist, captain, military

Calm was restored only when he resigned as magistrate in 1821. By 1829, he returned to England for a time.

Charles Stuart (abolitionist)

The man who became a verb! Stuart had also done pioneer work in England and Scotland in behalf of the American temperance movement, and he was subsequently instrumental in America in organizing relief for the sufferers in the Irish potato famine. He retired to a farm near , in 1850 at Lora Bay on. For part of the time he taught school during the winters and distributed Bibles and religious tracts at his own expense during his vacations.

Biography

Stuart is close to the centre in this painting which is of the 1840 Anti-Slavery Convention.

CAPTAIN CHARLES STUART, Anglo

.

Captain Charles Stuart, Anglo

He settled in , Upper Canada, and began his pursuit of a cause both in Canada and England. He corresponded regularly with Lieutenant Governor Sir Peregrine , offering advice on how to govern the province better and expressing a desire to be ordained in the Church of England. In 1822, Stuart took a position as the principal of in New York State.

Wikizero

At the world antislavery convention of 1842, the British philanthropists with whom he had so long been associated united to do him honor. Many might be surprised that it originates from Ireland in the time of Charles Stuart Parnell.

Charles Stuart (abolitionist)

Stuart was educated in and then pursued a military career as his first vocation. In the main, however, his work was done, and he retired about 1842 to his property on Lake Simcoe, where he lived until his death.
