Quality Practices for Effective Investigations and Conciliations

Minority ownership must be at least 51% to qualify, whether the business is publicly or privately held.

Policies Relating to Nondiscrimination, Affirmative Action and the Workplace

Some examples are hiring, firing, promotion, job assignments, and training. The employer must prove that a policy or practice that has an adverse impact is job-related and consistent with business necessity.

Policies Relating to Nondiscrimination, Affirmative Action and the Workplace

When a report of sexual misconduct is received by an employee who is also a Campus Security Authority, the Campus Security Authority shall notify the Public Safety Department in addition to providing the notifications required of a Responsible Employee set forth above. Nonpersonal services include, but are not limited to: utility, construction, transportation, research, and fund depository.

Enforcement and Litigation Statistics

A description of the health risks associated with the abuse of alcohol is as follows: Alcohol consumption causes a number of marked changes in behavior.

Charge Statistics (Charges filed with EEOC) FY 1997 Through FY 2020

The EEOC has a strong commitment to securing resolutions through conciliations. For alleged violations in the Office of the President, the administrator will consult with the Chief Legal Counsel for appropriate action and who will also notify the President.

Enforcement and Litigation Statistics

Anecdotal evidence is often contrasted to statistical evidence. At first glance, this seems to suggest that the issue of harassment and the MeToo movement may have gained real traction.
