Yunus Emre Kimdir? Hayatı ve Eserleri

The people of Anatolia, already weakened and devastated by the Crusades from the west, now fell victim to the plundering attacks of the Mongols from the east. Yunus Emre was a simple, devoutly religious Turkish poet and Sufi mystic whose life spanned both the 13 th and 14 th centuries.

Yunus Emre Kimdir? Hayatı ve Eserleri

Qadi Ilyas blamed Tapduk Emre because of some false witnesses. In fact, they appreciated and understood him well, aware that Yunus was truly close to them, and so they embraced him. Naturally he had contact with many other writers and artists in his region and one, named Rumi, was also a Sufi.

Poetry Chaikhana

Divan adlı eserinde, yazdığı tüm şiirleri derlemiştir.

Yunus Emre

On the way to Hajji Bektash Veli, Yunus decided he could not arrive there with empty hands, and he picked some wild pears on the Anatolian steppes as a gift for Hajji Bektash. O'ndan ne gelirse gelsin isyan etmemeliyiz.

How to watch Yunus Emre Season 1 & 2 with English Subtitles Free of Cost

I lift the waters up from deep below, I spin around and push them up; See the sorrows I have in the world, and This is why I weep and moan. A typical example of his poetry is one called Ask those who know and the translation of it is below.
