Woven Coverlets, An American Story

I do not know whether it was before or after his residence there that he moved on a farm where he also had a loom, located about where the Weiland greenhouses stand, near the Mahlon Harvey place. These strips, numbered and joined together by threads, turned on a metal cylinder and there were needles which fitted into the perforations. Location Currently not on view Date made 1842 weaver Musselman, S.

Book list for the History and Identification of Woven Coverlets in America

On the bottom and top there is an additional 4-inch cocoa border and fringe.

Woven coverlets

Indianapolis: Hoosier Heritage Press, 1974.

Eliza Calvert Hall, Book of Hand

Emanuel Ettinger also appears in the U.

National Woven Coverlet Collection

For green and yellow : smart weed in water makes yellow.

Historic Weaving

Because of the donor, Mrs. They have little of the beauty of the old covers with their soft rich dyes and beautiful weaving. The border pattern found on all four sides the coverlet is composed of houses, fences trees, grapevine, dogs, cats, chickens, and birds.

2 BOOKS ~ HAND

Carter, were settlers of Parke County. McNeill, of Cincinnati, formerly of Perrysville, Indiana, writes as follows of the blue coverlet dyes. After weaving the center he waited several weeks for the border pattern to arrive from England.
