## Invited but Unwanted? Migrants from the East in Germany, 1890

There were no scenes of vengeance, the prisoners' sole wish being to return home. Crump, Jeremy 1985 PhD thesis, University of Warwick. It concludes with some reflections on the challenges of perpetrator biography.

## Academic & University News

Harsher penalties could reach up to 15 years; for instance, this was the term given to two French prisoners who murdered a guard in 1916.

## Operation Coal Scuttle

The Soviets extracted about 23% of the East German GNP for reparations, while in the West reparations were a minor factor. Erste Beobachtungen eines Kondensates in einem der Resonatoren bestätigen die Ergebnisse der vorliegenden Arbeit. It will then turn to a discussion of how those migrants from the east were received in the German states: invited but unwanted? Their aim was to get via FDI the access to , and to get involved into the production and sales.

## World War I prisoners of war in Germany

The sample contains 1,631 workers and 589 retirees, 278 of whom transitioned into volunteering during the observation window.
