**Jude the Obscure by Thomas Hardy. Search eText, Read Online, Study, Discuss.**

In this version, Jude is a free-spirited female Syrian refugee who works as a cleaner, her cousin is a male relative who becomes a radical Muslim, and she is regularly visited by a figure representing the Greek poet.

### Jude the Obscure

Either form of intoxication takes away the nobler vision. . . Let us then shake off our mistakes, and run away together! I was going through a divorce; he felt that I was too fragile for Jude. Hardy emphasizes the permanence of marriage, particularly with respect to the ephemeral feelings, like infatuation and sexual attraction, that often lead people into it.

### An introduction to Jude the Obscure

The loss of her children precipitated a reinstatement of her marriage and conjugal rights to a man she loathes as penance for longing after a man she loves.

### Jude the Obscure by Thomas Hardy

The other main character is his cousin, Sue Bridehead, who is also his central love interest.

### Jude the Obscure, Thomas Hardy (1895)

By doing this he creates a character who is looking for something to give him an identity.

### Jude (1996)

How stupid can you get? One can throw stones at this treacherous creature based on false social embodiments of love and despise her impetuous

rebellion or choose to dig deeper and endure acute spiritual turmoil in an inner battle of wills between abstract ideology and constrained reality.
