The 1968 establishment of the Ministry of Culture and Public Information was especially significant. The access to much-needed funds that kye provided was one of the few avenues through which working-class, and even many middle-class, families could ever hope to afford their own homes. Relaxed and cheerful, he is occasionally even shown with a cigarette in one hand.

**TOP 20 MILLIONAIRES IN MALAYSIA ~ Dolynx Sdn Bhd**

Still reeling from years of conflict, 84 hardship, and deprivation, postwar South Korea in the 1950s struggled to regain its economic footing. If we did not know that Iran is an Islamic country, it would forever ba e us, no matter how good the rest of our intelligence might be. Hardship and a strong desire to end setpang sari may have driven me to buy my home more quickly.
