## Alaskan Sockeye Salmon

These market conditions suggest that Bristol Bay sockeye should be in high demand for the 2021 season. Box 693 Seward, Alaska 99664-0693  
Toll Free: Telephone:.

## Commercial Salmon Fishery Wholesale Alaska Department of Fish and Game

The first buyer of raw fish, persons who catch and process fish, persons who catch and have fish processed by another business, and the first exporter of a fishery resource are required to file an annual report of their purchasing and processing activities.

## Trends in Alaska and World Salmon Markets

The COAR reports contain data on seafood purchasing, production, and both exvessel and wholesale values of seafood products. To export the items, click on the button corresponding with the preferred download format. It remains to be seen if other fish — Bristol Bay sockeye, for example — have enough name recognition to power through low supply.

## Wild Alaskan Salmon

The exvessel value in COAR includes any post-season adjustments or bonuses paid after the fish was purchased. Fill your freezer with our 10 lb. This package includes a combination of shoulder pin bone in and tail fillet portions and shipping via Fedex Priority Overnight! These Alaskan Salmon are certified by the Marine Stewardship Council as a sustainable seafood product.

## Wild Alaskan Salmon

The amount of items that will be exported is indicated in the bubble next to export format.

## Record Copper River salmon boost market optimism ahead of bigger Bristol Bay fishery

The buying information from COAR is reported by species, area of purchase, condition of fisheries resources at the time of purchase, type of gear used in the harvest, pounds purchased, and exvessel value. Captain Jack's Seafood Locker is located on the docks in Seward, Alaska. And Evridge said that while wild salmon has found its footing for now, aquaculture is poised to exploit any prolonged supply holes.
