The Enemy Within (TV Movie 1994)

Almost twice as many children chose to play in spaces with trees than in spaces lacking natural elements.

Copying ancient woodlands: a positive perspective

McMichael is a great doctor.

Amy McMichael, MD

Cambridge: Harvard University, Committee on Environment, 1998. Isle of Wight Biodiversity Partnership.

Forest L. Reinhardt

She graduated from Purdue University in 2013 with a forestry degree. Cambridge: Harvard University, Committee on Environment, 1998.
