Imago Relationship Therapy: An Introduction to Theory and Practice: Rick Brown, Phillip Brown, Toni Reinhold: 9780471242895

Once the partner has received all the messages and heard them the way they were intended, they can strive to understand the feelings behind them. It does offer therapists who wish to become familiar with IRT an accurate and clear guide to its theory and practice and, in addition, it is an excellent review for Imago therapists. Consistent with the approach itself, Imago believes that learning comes as much through experience as through understanding.
