However, to say that Reijnier lacked power is not to say that he was absolutely powerless.

Slavery, Emancipation and Colonial Rule in South Africa by Wayne Dooling

Most importantly, trade with Europeans gave African rulers access to a crucial aspect of European technology, namely firearms.

History of slavery and early colonisation in South Africa

A slaving station was established in Delagoa Bay present-day Maputo in 1721, but was abandoned in 1731. In April 1657, there were ten slaves in the settlement, from a population of 144.

Slavery, Emancipation and Colonial Rule in South Africa (Volume 87) (Ohio RIS Africa Series): Dooling, Wayne: 9780896802636: spaceneb.us.to: Books

The United Nations defines contemporary slavery as consisting of.. Perhaps I read this expecting the wrong thing - an account of the end of slavery in South Africa that dealt with what happened to the slaves - and found an account entirely from the perspective of the owners, restricted to a small group of farms, and centering mostly on economic issues complete with tables.
