The Transition in English Historical Writing, 1760

Give Coleridge an idea and he would walk about ruminating on it and dreaming of it until the alchemy of his mind had transformed it into something far richer than the crude ore with which he began. Government of the United 1 ing Act oath, required of r? There is no virtue in academic freedom if the legally free teacher merely repeats what he happens to have learned from others.

Some aspects of the diction of English poetry; : three lectures delivered before the University of London during February 1933 at Westfield College,

It or puolic cc den. He is, if I read his Harper's article right, a convinced opponent of Communism and a formidable one. .
