Shad Darshanas

Ajaran Samkhya bersifat realistik karena didalamnya mengakui realitas dunia ini yang bebas dari roh. Disebut dualistik karena terdapat dua realitas yang saling bertentangan tetapi bisa berpadu, yaitu dan.

Darshan

It is because of this special perception their thoughts are called darshana which actually means vision or realization of the Self. All the darshanas or systems of philosophy discovered that in spite of all the best efforts put in by man; his life is full more of misery than bliss.

Darshan

The conversations with Sri Ramana Maharshi have been generally in Tamil, intermixed with a few English and Sanskrit words.
