**Robert Louis Stevenson 1895**

All the chances were we might have been six weeks—ay, or three months at sea—or never turned up at all, and now it looks as though we should reach our destination some five days too late. Folau had never heard of the offence, and begged to know what was the punishment; there may be lively times in forgery ahead.

**Antique Leather First Edition Book by Robert Louis Stevenson 1895**

If I can do that, I will trouble you for style; anybody might write it, and it would be splendid; well-engineered, the masses right, the blooming thing travelling—twig? And, indeed, it is a kind of journalism, I have no right to dally; if it is to help, it must come soon.

**Antique Leather First Edition Book by Robert Louis Stevenson 1895**

Here is how to learn to write, might be the motto. I was looking at it some while over the down-hill profile of our eastern road, when I chanced to glance northward, and saw with extraordinary pleasure the sea lying outspread.

**Vailima letters, being correspondence addressed by Robert Louis Stevenson to Sidney Colvin, November 1890**

They are all at it again to-day, bar Belle and me, not required, and glad to be out of it.

**Vailima Letters: Being Correspondence addressed by Robert Louis Stevenson to Sidney Colvin, November 1890**

My dear Colvin,—The Faamasino Sili, or Chief Justice, to speak your low language, has arrived. Then sneakingly off to farming and pioneering.

**Antique Leather First Edition Book by Robert Louis Stevenson 1895**

A return to work, perhaps premature, but necessary, has used up all my possible energies and made me acquainted with the living headache.
