The Kodály Concept

From Sound to Symbol: A Model of Learning and Instruction for Teaching Music Concepts⁶. The inclusion of 140 pages of exhaustively detailed song lists and lesson and monthly plans is a reason in itself to buy this invaluable book. May show signs of minor shelf wear and contain limited notes and highlighting.

Kodly Today A Cognitive Approach To Elementary Music Education Kodaly Today Handbook Series PDF Book

Teachers of music and the university professors who prepare them for their craft should find this book extremely valuable. Their model--grounded in the latest research in music perception and cognition--outlines the concrete practices behind constructing effective teaching portfolios, selecting engaging music repertoire for the classroom, and teaching musicianship skills successfully to elementary students of all degrees of proficiency.
