Ancient Egyptian Houses

Researchers found storage pits and cisterns in the compound of the Church of the Annunciation, many of which date to the time of Jesus, Israeli archaeologists said. Walls and forms were fortified, with wood and stone depending on the house. Wood was very rare and so furniture was sparse.

Ancient House, Ipswich

Slaves and children as young as four were left to the menial job of making mud-bricks. People often slept on the roof at night because it was cooler than the enclosed room below.

Ancient Egypt Houses

People avoided the sun and hugged the shadows of the walls. Most ancient Egyptian houses were made of mud-brick mixed with straw.

The Ancient House

You can also change some of your preferences. These foundations gave some stability to the house, and it needed all the stability it could get.

The Ancient House

Though a house might have been drab on the outside, inside it was cool, comfortable and pleasant.
