Euthanasia Statement

If this sounds a lot like second-degree murder to the astute reader, let him be consoled by knowing that many juries have been baffled by the way in which the law in word and in practice distinguishes the various degrees and classes of homicide. It is murder There are strong proponents on both sides of the debate for and against euthanasia.

Death Without Dignity : Killing for Mercy

I am a firm believer in the hospice movement. It really felt like a celebration as we started upping her pain medication.

Death, Legal and Illegal

All actions are imitable, especially dramatic ones like suicide.

Death Without Dignity : Killing for Mercy

Through all those processes people go through highs and lows and go through different forms of suffering to be at a stage in their own lives where, perhaps, given the choice, they might choose to end their own lives.

Death Without Dignity : Killing for Mercy

Heartbreaking though it may be, God is capable of building the character and faith of family members through the long lingering illness of their loved ones.

Euthanasia Statement

I will not give that commitment yet; I will certainly listen to the debate. I do not want the antibiotics. Cetrulo's fourth article in HPR.
