old master prints sale: Goltzius, Callot, Dürer, Sadeler, antique etchings and engravings

Few of his paintings left Holland whilst he lived, but his prints were circulated throughout Europe, and his wider reputation was initially based on them alone.

Old Master

His style later softened, and took in the influence of Dürer, but he concentrated his efforts on painting, in which he became dominant in Protestant Germany, based in , handing over his very productive studio to his son at a relatively early age.

Old master print

Many of his faces have a rather pudding-like appearance, which reduces the impact of what are otherwise fine works.
