In the event of a fundamental settlement of the above question on an international basis, an exchange of opinions shall previously take place between the two Governments. Poincaré replaced Lloyd George's ideas with a scheme to hurt Germany. Russia had already started collaboration with a German military in a project so secret that the German civilian government and diplomats did not know about it, but which made Moscow much more favorable toward a friendly deal with Germany.

Georgy Chicherin

Germany had lost the war and become diplomatically isolated, and the postwar led to German disarmament and the cession of German territories, including all her colonies. Furthermore, the German Government agrees to forgo compensation within regard to the expenditure incurred by it on behalf of members of the Red Army interned in Germany. In these factories, Germany quickly manufactured many Panzer variations based on secret German-Soviet designs.
