Ethics

Misleading your listeners and delivering a message that is clandestine or not truthful is the antithesis of ethical communication. Ethics is a requirement for human life.

Elements of Ethics

When you are not communicating ethically, listeners wonder if what you are saying is true.

Six Ways to Create a Culture of Ethics in Any Organization

Employee and consumer privacy Employees must feel comfortable in their place of work, so a commitment to employee privacy is one way to show employees that the code of ethics and business conduct is also for them.
