We are guided by the highest of ethical standards of our profession, and our expert doctors and staff all share the same goal of healthy, clear vision for life! Mission The mission of Visions for Creative Housing Solutions is to provide residential options, services and support designed to meet the needs of adults with developmental disabilities and similar disabling conditions. Clearly this is not the end of the work to be done as we bring our new business model to life, but it is a significant point in the process.

Kevin Greutert being an editor himself, he did a mighty fine job with the editing n direction department. On an individual level, I came away from the retreat with a deeper commitment to exerting explicit leadership around issues of diversity, and have already begun to do so with students and staff. We will be contacting all guests with appointments to reschedule.

Our eye doctors provide excellent routine vision care, from pinpointing your exact prescription for crisp, clear vision, including multifocal prescriptions, to offering a wide array of fashion eyewear. What I am most proud of is that I was able to bring the Legacy Project curriculum to my own school community and inspire other youth to take leadership roles in their communities. Saw this recently on a dvd which i own.

VISIONS LANDSCAPE SUPPLY & DESIGN

We help a teen at every step of the way, from safely preparing them for rehab to working with them through the worst stages of withdrawal, targeting the issues contributing to their drug use and helping them find a variety of alternatives to better cope with their mental health, and involve their family in the long-term treatment and management of their dual diagnosis.
