Country Reports on Terrorism 2016

Department of the Treasury: , also by United States.

National Academy of Sciences

The representative of Syria suggested that, in order to strengthen the machinery for the implementation of the Armistice Agreement, the Council should uphold the local international authority by practical and unambiguous decisions and build up that machinery by providing additional personnel. As far as new synthetic drugs were concerned, it was thought that this was due to a more rational search for a perfect non-addicting analgesic drug.
