### Pledge to Be StigmaFree

Others marked themselves accidentally and their marks were noted as stigmata by witnesses. Food is brought and served politely to the patient.

### What Is Stigma?

For instance, people living with depression are often stereotyped as lazy, while some judge those with anxiety as cowardly. Today, we humbly ask you to defend Catholic Online's independence.

### NoStigmas

This is because society in general has stereotyped views about mental illness and how it affects people. By doing so, they can help dispel commonly held myths and stereotypes both in themselves and others. Francis of Assisi is the first recorded stigmatic in Christian history.

### Reducing Stigma

Those who succumb to Substance Use Disorder are our loved ones: our parents, our sons and daughters, sisters and brothers, and friends. X Research source These rights include both state and local government services such as assistance programs, public accommodations, access to commercial facilities, and everyday transportation options.
