Bibliographical Analysis: A Historical Introduction

The artifacts carrying verbal texts constitute an enormous reservoir of information about the past, quite apart from the meanings of the words themselves; and those who are interested in learning about the past will persist in exploring every conceivable way of extracting that information.

William Bowyer (1663

The Printing Accounts of William Bowyer, Father and Son. The advertisement does not offer the Laws of Whist. The act also removed pre-publication copyright, far ahead of other European countries.

Catalog Record: The Bowyer ledgers the printing accounts of...

Sullivan II New Castle, Del. Trois croissants, Sofia, Éditions Texte Trayanov, 1983; Asparouh Velkov, Les filigranes dans les documents ottomans.

Checklist of APHA Member Publications

By William Cawley of the Inner Temple, Esq; : CAXTON. The idea that typography and layout, like other arts and crafts, reflect the intellectual and political milieux of which they are a part is implicit in most of what he wrote, and he often made it explicit as well.

Edmond Hoyle, Gent.: Toward a bibliography of books published by Francis Cogan, bookseller (part 2)

Sometimes the first gathering is signed as A and sometimes as F and often with a mixture of the two! Just as textual criticism must employ bibliography, so a study of the life-history of texts must include a knowledge of the life-history of the books that transmitted them. The book has not, however, been regarded as a standard textbook, and one reason is perhaps its somewhat confrontational tone. After being used on old moulds they were transferred to new moulds and this often happened more than once.

The Bibliographical Society of America

The particularity of the construction required a reversal of the normal lay-out, so that in sheets of paper made on such moulds the wire-lines are parallel to the short edge and the chain-lines to the long edge, see Allen T. Much of the literature of textual criticism and scholarly editing in English is listed in the latest revision 2002 of my Introduction to Scholarly Editing.

Bowyer Ledgers

Reprinted in Greg 1966, pp. With cases illustrative of the advantages to be Derived from its employment.

BibTeX bibliography textbook2.bib

Whenever Morison looked at a page of manuscript or printing, he saw a record of dramatic action, the adaptation at a particular past moment of a social and cultural inheritance. The essential thing is for the work to be pursued with care and reported without overstatement — a good recipe for other situations as well.
