### What Is Distinctive about Ignatian Spiritual Direction?

Manresa will be happy to recommend to you retreat houses with well-developed 30-day retreat programs. In Daily Life experiences arranged through Manresa we ask a fee that will compensate your director for the extensive time and energy this nine-month experience requires of the director. The journey through life is inherently spiritual and not meant to be traveled alone.

### The Spiritual Exercises

Evil is both greater than we are and part of who we are.

### Spiritual Exercises in Everyday Life — Ignatian Spirituality Partnership of Maine

God is leading the person to deeper faith and more generous service. The goal is not to get to the end of the 'week', but to receive all the graces it offers.

### Spiritual Direction, Spiritual Exercises, Spiritual Retreats

The areas overlap, but the focus is different. An external rule of life voluntarily agreed to and a stable community environment were the milieu in which this type of spiritual direction existed.
