Progress of the United States in population and wealth in fifty years, as exhibited by the decennial census : Tucker, George, 1775

This data is provided as an additional tool in helping to insure edition identification: ++++ British Library Tucker, George; 1843. Hover your cursor over each jurisdiction to explore how many doses have been administered, how many people have received vaccines, and what percentage of the population has been fully vaccinated. Public health officials have worried since the start of the pandemic that vaccinations would not be equitably distributed around the world.
