As I have discovered rereading them one after another, Léon's death and burial hold their own with the agony and burial of le Père Goriot in Balzac's eponymous novel. After the deaths of his father and mother in 1914 and 1915, he went to live with his doting grandmother and eccentric uncles. He wrote plays such as Pasiphaé 1936 , La Reine morte 1942, the first of a series of historical dramas , 1946 , Le Maître de Santiago 1947 , Port-Royal 1954 and Le Cardinal d'Espagne 1960.

The police knew very well the identity of this distinguished-looking French academician — in 1960, he was elected to the Académie Française in

spite of having refused to solicit votes of other academicians as required by unbroken custom. Mobilised in 1916, he was wounded and decorated. While Montherlant is known to have had liaisons with women, cruising for young boys, and extended relations with them that included taking them on as servants and companions, were a constant occupation and leitmotif.

Montherlant le séparé

During the Second World War after the fall of France in 1940 he remained in Paris and continued to write plays, poems, essays, and worked as a war correspondent. .
