Conservation — UW Libraries

Thank you so much for your respect for the authors copyright. Professional organizations also played a large part in the advancement of preservation programs.

Museum Conservation Institute Taking Care

One of the few on-line keys for insect classification as an aid in identifying pests caught in an integrated pest management program. Food and drink in libraries, archives, and museums can increase the attraction of pests. Chicago: Society of American Archivists.

PRESERVATION OF LIBRARY MATERIALS IN PUBLIC LIBRARIES

It has been defined as 'any action taken to determine the nature or properties of materials used in any kind of cultural holdings or in their housing, handling or treatment; any action taken to understand and control the causes of deterioration; and any action taken to better the condition of such holdings' Statutes of the International Institute of Conservation, London.

PRESERVATION OF ART OBJECTS AND LIBRARY MATERIALS

Preservation Planning Program: An Assisted Self-Study Manual for Libraries.

Session 1: Introduction to Preservation — NEDCC

The policy should note areas that are not reviewed for weeding. For example, in the United States, conservators must comply with the Native American Graves Protection and Repatriation Act.
