By developing a system for the supply of the Contras, the US built a road for drug supply into the US. Carrasco had testified that in 1984 and 1985, he had piloted the planes that were filled with weapons for the Contras in Costa Rica. Questions arose as to the suitability of specific actions taken by the National Security Council staff and how the decision to transfer arms to Iran had been made.

In the meantime, the country was subjected to neoliberal economic reforms and austerity measures that resulted in increasing rates of poverty and international debt. This aggression is in violation of international laws and the very laws of the United States.

United States Policy Toward Nicaragua: Hearings Before the Subcommittee on ...

The United States endeavored to foster good relations with the new Sandinista government and offered it an alternative to alignment with Cuba and the Soviet Union. Russian soldiers and sailors took control of their units, refusing to follow orders by their officers, and even disarming them, putting control of the army and navy in socialist hands.

Washington, Somoza and the Sandinistas: Stage and Regime in US Policy toward Nicaragua 1969

The committee connected the crack-cocaine epidemic to the Contra-connected corporations and found that the drugs were distributed on the streets in Los Angeles. It traces the political retreat of the Sandinista National Liberation Front leadership that led to the downfall of the revolution in the closing years of the 1980s.
