Guide To British Military History: The Subject And The Sources

Preserved in the form of individual small parts and one of the first Russian tanks Lebedenko, resembling a giant chariot. They were used for scouting operations and advancing deep behind enemy lines. After 1941, a significant part of these forces were diverted to the operations in the East Indies, Burma, and the Philippines.

The American Heritage Museum

The Fireflies had only been ready six weeks before the squadron was deployed and the number of times Joe took it out on the firing range: once! But there were many empty storage pads, so probably the tanks are being restored. Front cover - The Sherman Crab, 1921 Rolls Royce.

From The Tank Museum: Joe Ekins

Meanwhile indeed, German Industries did not stayed idle.
