After marriage, do you think that you want to express affection in public? Like the man, however, the woman can divorce her husband with out resorting to the court, if the nuptial contract allows that. P said: The best of you is the best to his family and I am the best among you to my family. He protested saying that he was the maternal uncle of the girls, and as such, he should at least have been consulted prior to their Nikah.
