The Story of the Amulet by Edith Nesbit: Chapter 1. The Psammead

She told me about the larks they have in Egypt. This made them feel quite brave. That half has the power to transport them through time to try to find the other half.

Amulet: Curse & Ending Explained

Everyone listened: and everyone tried to think. At last he roused himself with a start. One day they had the good fortune to find in the sandpit a strange creature.

The Story of the Amulet (Puffin Classics): Nesbit, E., Millar, H. R.: 9780140367522: spaceneb.us.to: Books

I daresay I could understand your explanation, though you could never understand mine.

And I thought we must get Nurse to see how quite old we are, and let us go out by ourselves, or else we shall never have any sort of a time at all.

The Story of the Amulet, by E. Nesbit

There lay five bright half-sovereigns. That must have taken some making. He shook his head twice and went out.

Amulet (comics)

It came and stood beside the Queen in the middle of the courtyard.

'Amulet' review: Romola Garai's haunting directing debut

The table wore a cloth of a cruel green colour with a yellow chain-stitch pattern round it.
