### Law on Trade Union

The setting up of textile and mill industries at the beginning of the 19th century in the presidency towns of Bombay, Madras, and Calcutta gave impetus to the formation of industrial workforce association in India. However, a number of general suggestions can be made in light of the challenges facing trade unions following the recent European enlargements.

### Trade Union Law of the People's Republic of China

Vaughan-Whitehead, EU Enlargement versus Social Europe? Article 26 of the Law provides for the obligation of agencies, organizations and enterprises of all economic sectors to contribute to the trade union budget an amount equal to 2% their wage funds whether or not they have established trade unions.

### Trade unions and the challenges of EU enlargement : the kind of laws the unions ought to want

Current legislative competences in the area of European social policy include not only the provisions contained in the EU Treaties which enable the EU institutions to act in order to facilitate the free movement of workers, but also Article 153 1 TFEU, which provides for the introduction of Directives on working conditions, information and consultation of workers, and equality at work between men and women. According to the Fifth Economic Census of 1999, it was revealed that more than 97 per cent of the enterprises employ less than ten workers, and most of these employ less than five workers.

### Law on Trade Union

Trade union organizations at higher levels may dispatch their members to assist and guide the workers and staff members of enterprises to set up their trade unions, no units or individuals may obstruct the effort. Section 7: Power to call for further particulars and require alteration of the name of the Act furnishes upon the registrar power to call for information in order to satisfy himself that any application made by the trade union is in compliance with the Section 5 and 6 of the Act.

### Trade Unions: Objectives, Functions, Formation, Regulations, Rights and Liabilities

However, any attempts which have been made to introduce a comprehensive policy — largely under the banner of a so-called European Social Model — have been dependent on the effective accommodation of political interests. What rules govern collective bargaining for a contract? FICCI, CII, are examples of these federations.

### **HRM231 Employment Law : National Trade Union**

The human factors are cared and loyal employees are treated well. Section 3: Appointment of Registrars of the Act empowers the appropriate government to appoint a person as the registrar of a trade union.

### **Employer/Union Rights and Obligations**

This attracts the attention of management to sit and discuss the problems of workers.
